

CASH FOR CLASS – RECYCLE YOUR TRASH

On-going TerraCycle fundraiser for St. Paul Sunday School

A collection bin is located in the church narthex/gathering area.

Items being collected are:

Baby and Toddler Food Pouches (Sponsored by Ella's Kitchen, Earth's Best and GoGo SqueeZ)

We accept any flavor, empty, baby or toddler food pouch plastic packaging. Leave cap ON!

Oral Care Product (Sponsored by Colgate)

ANY BRAND of empty toothpaste tubes and caps, toothbrushes (NOT electric), empty floss containers, and toothbrush and toothpaste outer packaging.

Note: Drink Pouch, Writing Instruments and Tape Dispensers are no longer accepted in the program.

For more information and the latest updates, go to StPaulNeenah.org and click on *Sunday School* under the *Education* header or visit the St. Paul facebook page. Contact Linda Tipler or the church office with any questions.

Thank you for participating in this on-going fundraiser! Together we are finding a unique way to show our gratitude for God's planet, by up-cycling products instead of tossing them, and financially supporting our Sunday School program.

CASH FOR CLASS – RECYCLE YOUR TRASH

A few facts about the TerraCycle program:

- 1) St. Paul Sunday School will earn \$0.02 for each piece of waste we recycle.
- 2) It is completely free, even for us. TerraCycle provides free shipping labels for us to ship the waste to them to be recycled.
- 3) Not only do we earn a donation per piece we collect, but the waste will be recycled instead of just thrown in a landfill!
- 4) This is a simple way for everyone, even the little children, to take a part in showing God we care about His beautiful creation, Earth.

"The Lord God took the man and put him in the garden of Eden to till it and keep it." Genesis 2:15
